What is this Event About?

In these turbulent economic times there is an ever-increasing demand placed on the payroll department to cope with the consequences of restructuring, redundancy, cutbacks and major budget constraints.

This full day event is designed to help all those concerned with payroll in the workplace to deal effectively with the issues confronting today's Payroll Officer. Delivered by experts drawn from the accountancy, legal and tax/revenue professions, this annual event is now firmly on the calendar of Payroll Officers from organisations both small and large looking to keep up-to-date on key developments.

What are the Learning Outcomes?

As a result of attending this event you will:

- Find out from a top tax expert the latest advice on tax and PRSI issues for employees.
- Find out the latest tips and advice on how best to file information for The Revenue.
- Have learnt the essential pension issues that every Payroll Officer should be aware of.
- Receive careful instruction on how to calculate accurately, payments due on termination of a contract of employment.
- Gain essential advice on how to treat certain benefits at work for purposes of tax and payroll.
- Leave with a full update on the latest employment law developments relating to employer costs.

What is the Programme for the Day?

- Income tax developments and challenges in 2010 plus a look forward to 2011.
- Topical issues for payroll practitioners – taxation and termination payments update.
- Employer PRSI Exemption Scheme.
- Topical Issues for payroll practitioners – internal audit and control.
- Employment law update – latest developments.
- Review of recent employment case law.
- Pension update – current considerations and trends.
- National Employment Rights Authority – What to expect from a NERA inspection.

Who Should Attend?

Those with Finance responsibilities, including Payroll Officers & Assistants and HR personnel with payroll responsibilities.
